Re: 300 Washington Avenue
Time Extension

Dear Mr. Hughes:

The Planning Commission adopted a resolution at their November 20, 2019 meeting approving the B&H Brothers, LLC project. The site plan approval associated with this resolution expires after 120 days. Since the subdivision has not completed and a building permit has not been issued for the proposed residence, we are respectfully requesting the first time extension for site plan approval.

Should you have any questions or require additional information, please call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Daniel A. Ciarcia', with a long horizontal flourish extending to the right.

Daniel A. Ciarcia, P.E.
