To: Patricia Dwyer, Village Administrator
Village Board of Trustees
From: Linda Bellofatto, Superintendent of Recreation *LB*
Date: September 11, 2017
Subject: Maintenance Management School

I would like Michael Newman to attend the second year of the National Parks and Recreation Maintenance Management School in West Virginia. Michael received the Dr. Sal Prezioso Professional Fellowship Award from Westchester Recreation and Parks Society which \$550.00 will go towards tuition and hotel. The total cost after the award will be \$1,886.84.

I really feel this will be beneficial to Michael as well as the Village by him attending this school.
