Re: *The Time Traveler's Wife*- HBO filming request

Dear Ms. Regan,

As you may already know, Cooler Waters Productions, LLC is currently in pre-production for the HBO limited series *The Time Traveler's Wife*, a new show starring Rose Leslie (*Game of Thrones*, *Downton Abbey*) and Theo James (*Divergent*, *Downton Abbey*) and is written by Steven Moffat (*Doctor Who*, *Sherlock*). Based on the novel of the same name, *The Time Traveler's Wife* is a romance story about Henry & Clare, , and will be filmed in New York beginning in May 2021 and running through October 2021.

We would like to film at a few locations in **Pleasantville** on **Wednesday, June 2, 2021** from approximately **6:00AM – 8:00PM**. Our intention is to base our large trailers out of Pace University, and have some smaller trucks move around town with us.

Based on our technical scout last week, this is our list of requests:

6am-Noon: Ext/ Black Cow & Park (directly across) – 7 Wheeler Avenue btw. Bedford/ Manville Roads (working on an arrangement with the owner)

- Clear both sides of parking btw. Wheeler (closer to Manville)/ Jackson Alley to place period correct picture cars.
- Change the way cars are parked: On the west side of the street we would like to park cars north/ south against the curb. On the east side of the street we would like to park our cars on an angle.
- Place a 60' condor on the zebra stripes on the east side of the street.
- Place a bench in the park area for our actors to sit on and have a conversation.
- Hold traffic intermittently when filming on Wheeler Avenue, to have period correct picture cars drive by. (thinking we would need 1-2 officers, pending police dept.)
- I would like to clear and hold the parking lot between Pleasantville Bakery/ Holy innocents Church for our trucks (zone 50732).
- We would like 2 parking spaces in the lot near the train station to place a generator.

The Time Traveler's Wife

- Wondering if we can work with DPW or someone in the town to turn off the walk/ don't walk sound box when filming on the corner of Wheeler and Manville.
- We may want to do a wet down of the street with a water truck (we would need a hydrant to fill up the water truck), does that go through the water company? or Fire Dept?

10am-1pm: Int/ Pleasantville Pharmacy – 62 Wheeler Avenue btw. Bedford/ Manville Roads (working on an arrangement with the owner)

- Tent out the front of the pharmacy (so that it looks like night inside)- it will only come out about 4' from the building, so the sidewalk will still be accessible.
- Request 14 metered spaces starting from #76 (Frank & Joes) up to the jewelry store #50 for a generator and equipment staging.
- No traffic control is needed for this sequence.

12pm-7pm: Int/ Ext Phillips 66 Gas Station and Convenience Store – 1 Broadway @ Bedford Terrace/ Broadway (working on an arrangement with the owner)

- We will have the gas station closed all day and will be staging our condors, equipment, and picture cars there.
- Would ask to clear and hold in advance the municipal lot across the street on Bedford Terrace to stage our trucks in.

- Requesting to hold traffic intermittently to have period correct picture cars drive by, on Bedford, Broadway, and Bedford Terrace (thinking we would need 4 officers, pending police dept.)- I realize these are state roads and would have to get the permission of DOT, but DOT generally wants to know what the local authorities have to say before they approve it. So would love to set up a meeting with the Pleasantville Police Dept. to do a walk through.
- Would like to clear the 3 spots on Bedford Terrace btw. Broadway/ Hay hills Road to park period correct picture cars.
- Would like to clear the 3 spots on Broadway closest to Bedford Road to park period correct picture cars.

7pm-8pm: Clean up, move all trucks back to Pace

The Time Traveler's Wife

As previously discussed we have already been in initial talks with all the businesses on Wheeler Avenue. We will provide a resident letter to the businesses in advance to make them aware of our filming plan, and have them sign off on it. The response thus far has been extremely positive.

Our approximate cast & crew count is 125 people on and around set.

Should you have any questions or concerns regarding this filming request, please do not hesitate to reach out to me directly on my cell at 646.523.4592 or by email at gaylevangrofsky@gmail.com. I would love to set up a scout with the Police Department or whomever you deem necessary to walk through the filming requests on site (hopefully this week)

Thank you very much for your consideration. We look forward to filming in Pleasantville and working with you on this project.

Best,

Gayle Vangrofsky
Location Manager
