Re: Addition and alterations to the Almassy residence
41 Clark Street, Pleasantville, New York
Section 99.18 Block 4 Lot 68

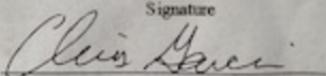

Dear Chairman Campriello and Members of the Z.B.A.:

I am a neighbor of Tera and Mark Almassy's property at 41 Clark Street. The Almassy's were kind enough to share with me their site plan and architectural plans for the proposed new additions to their home.

I would like you to know that I am not opposed to the granting of the setback or third floor variances they are seeking.

Sincerely,
