Ref. No.: 2034

Dear Mr. Hughes,

We are respectfully requesting an extension for the variance granted on October 29, 2020, Zoning Case Number 2020-14. Because of the recent difficulties with obtaining contractors, we are currently slated to start construction on or about February 15, 2022. The scope of work and the variance that was granted, have not changed.

If you have any further questions or concerns, please do not hesitate to contact me at (914) 747-3500.

Very truly yours,
DIMOVSKI ARCHITECTURE PLLC
